

## Package A

*Drought-Tolerant Dreamscape*  
Price: \$100

**Features:** Spreading groundcovers and grasses. Extremely low maintenance & economical.

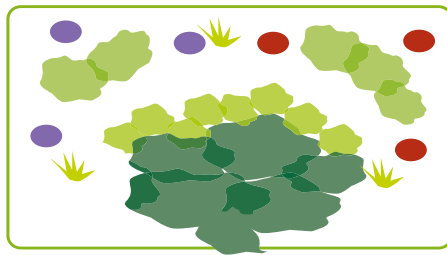

- A1** 'Replacement Lawn' - entire area is covered in grasses and/or groundcovers. Can tolerate some foot traffic.

## Package B

*Urban Forest Garden*  
Price: \$250

**Features:** Designed for lawns with existing mature trees or for new tree requests. Designs without trees are also included, incorporating a variety of groundcovers, grasses and/or flowering shrubs.

- B1** Mixed groundcovers and small flowering shrubs.
- B2** Same as B1 with small area designated for foot traffic.

- B2** New forest garden - choose a new small to medium shade tree. Fruit trees available, too.
- B3** Existing tree - shrubs and groundcovers are carefully chosen according to the mature tree.

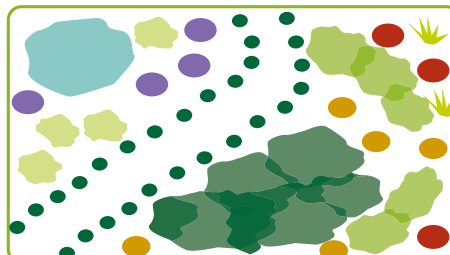

## Package C\*

*Premium San Joaquin*  
Price: \$500

**Features:** Custom design, for those who want more say in the plan and can commit to more maintenance. Includes a variety of shrubs, grasses, groundcovers and tree options. Good choice for those planning future hardscape installations.

*\*Required for lawns over 1000 sq. ft.*

*Note: An additional \$0.10 per sq. ft. will be charged for lawns over 1000 sq. ft.*

- C1** Examples: CA Native plants only, Hummingbird garden, include space for a path in design, etc.

### \$aving Water - one lawn at a time!

LawnBusters is the perfect solution for San Jose area residents who are unable to afford the typical costs that go into lawn replacement. Qualified homeowners receive subsidized services on a donation basis, including a landscape plan, materials, and labor for a water-wise lawn conversion.
